16/9/2003 · Like most other ancient philosophers, Plato maintains a virtue-based eudaemonistic conception of ethics. That is to say, happiness or well-being (eudaimonia) is the highest aim of moral thought and conduct, and the virtues (aretê: 'excellence') are the requisite skills and dispositions needed to attain it. If Plato's conception of happiness is elusive and his support for a morality of ...

8 Digital Technology. Advances in the digital technologies available to support learning are among the most dramatic developments since the publication of HPL I. 1 Digital technologies can support learners in meeting a wide range of goals in different contexts, for example:. A first-grade teacher concludes that her students are disengaged when working on drill and practice of mathematical ...

Due to events within the WRM team we will not be completing the Year 4 videos for the Autumn term. PowerPoint slides are available for premium subscribers or by request via support@whiterosemaths.com.. The Year 4 home learning videos for the Spring term are available in full and Summer term videos will be added here in line with our lesson by lesson overview.
