Diversify by June Sarpong is the most important book that I have read this year. This is a pretty big claim. As a prolific reader, I have read lots of books but none of them resonated with me the way that **Diversify** has done. Sarpong examines the diversity in culture and how we often see this as threatening rather than celebrating our differences.

Strategic Capability Toyota is a company with strong management capabilities that makes it to increase its value with time, with high ability to use competitive strategies successfully by focusing on assets and resources and market position. It has the ability to use their strategy for the future globally; it has successful management ...
