nudge / slide the laser assembly back and forth in its track, using your finger or some sort of plastic tool like a spudger or a pen cap. clean the laser lens (with 90% isopropyl alcohol and a q-tip) The vast majority of optical disc drives will spring back to life after step 1 and/or step 2 above. If neither of those works, confirm that there ...

11/3/2013 · To download Humphrey's decently put together **Dvd Player Repair Guide** pdf, direct your cursor to this link you see right here, and click on it. <http://www.howtofixadvdplayerrepairguide.info/> What I really like about Humphrey's pdf guide is that it has several good case studies thrown in. Case studies are great because they are based on real scenarios.
