This enchanted tour of Egyptian art by one of its early explorers is one of the most beautiful modern works on ancient Egyptian art. Prisse d'Avennes' monumental work, first published in Paris over a ten-year period between 1868 and 1878, includes the only surviving record of many lost artifacts.

The aim of this book is to convey a full sense of ancient Egyptian art history through the various concepts and approaches within the field. This Companion is intended to fit into the Blackwell Companions to the Ancient World series that provides sophisticated and authoritative overviews of the most important themes in ancient culture.

To object to seeing Egyptian art as 'art' because the etymology or 'true' meaning of Egyptian hmt is 'craft' is in any case incorrect. Etymology is not a good a guide to usage and meaning, and moreover there are parallels, not least in Western tradition, for an evolution from ideas of 'craft' to more value-laden ones of 'art'.
