A Brief History of the Army Values (as of: 1 Oct 18) [T]he most important constant of all-Army values. We must never be complacent about the role of values in our Army. That is why we have made a concerted effort to specify and define the Army values.... Army values are thoroughly consistent with the values of American society.

The Army Profession is a unique vocation of experts certified in the ethical design, generation, support, and application of landpower, serving under civilian authority and entrusted to defend the Constitution and the rights and interests of the American people.

1/8/2018 · Regarding our Army LDRSHIP Values, which were actually developed by some of the same thinkers who participated the Thayer PME process, I have always wondered about our “missing letters.” The U.S. Army rested the initial “research” process on seven values for our soldiers and civilians: Loyalty, Duty, Respect, Selfless Service, Honor, Integrity, and Personal Courage (LDRSHIP).

we fulfill our purpose: to support and defend the Constitution and our way of life. Living the Army Ethic is the basis for our mutual trust with each other and the American people. Today our ethic is expressed in laws, values, and shared beliefs within American and Army cultures. The Army Ethic motivates our ...
