Oral Interview Questions – Captain / Company Officer 1. Please tell the board how your knowledge, skills and abilities have prepared you for the position of Captain with our department? 2. Please tell the board how you have prepared for the position of Captain in the way of education, training and experience with our department? 3.

The area ratio decreases slowly at first then more rapidly. The area of an ellipse is $A = \pi \times a \times b$, a and b are the 1/2 major and 1/2 minor axis. If $a = r = b$ the area is $A = \pi \times r^2$, which is a circle. Not hard to graph this but you will have to write the area of the ellipse in terms of the circumference.

9/9/2009 · 20 great firefighter job oral interview questions Whether you are looking to be hired as a firefighter or looking to hire firefighters, you'll want to consider these oral interview questions.
