NAME: KEY 5 Part III. Short Answer/Problems. Be concise and to the point, short focused answers are better than long rambling ones. Show your work for partial credit. 21. (3 pts.) Darwin developed his theory of Evolution by Natural Selection over the course of many years of careful observation and study. List three (3) scientific areas / theories /

Prior chapters in this volume answer the what and why questions of teaching about evolution and the nature of science. As every educator knows, such discussions only set a stage. The actual play occurs when science teachers act on the basic content and well-reasoned arguments for inclusion of evolution and the nature of science in school science programs.

In Earth Sciences exam, a candidate has to answer a maximum of 15 out of 20, 35 out of 50 and and 25 questions out 80 in Part-A, Part-B

and Part-C respectively. Each question in earth sciences will have 4 alternatives, candidates have to choose the best alternative from them.
