Students with credit in Purdue calculus courses cannot take the MA 15300 credit exam; however, they may take the MA 15800 credit exam if their current degree program requires it. Students taking multiple credit exams where they have to pass the first exam to be eligible to take the second exam will receive the grade of their first exam before their next scheduled exam.

exam pages. (3) The point value on each problem appears to the left of the problem. (4) You must show sufficient work to justify all answers. Correct answers with inconsistent work may not be given credit.

AAE 364 Control Systems Analysis
Midterm 1 Professor Inseok Hwang School
of Aeronautics and Astronautics, Purdue
University Fall 2014 Date: October 8 •
There are four problems in this exam. •
Whenever possible, justify your answer. •
One crib sheet is allowed. • A calculator is
allowed. (Do not use advanced functions
such as plotting graphs and solving
equations.)

In many cases, educators have conducted
pre-test, treatments, and post-test
assessments in order to diagnose and
improve students' visualization skills for a
diversity of graphics and CAD courses [11].
