1/1/2014 · This form of political risk meant that economic reform in the post-Mao era had, somehow, to limit the arbitrary authority of the central government. 19 China's strategy in promoting economic reform was decentralization consistent with fiscal federalism; the central government devolved economic policymaking (policy authority condition) and fiscal authority (including the hard budget ...

Abstract In this contribution we examine the federal characteristics of the Spanish case. Having initiated a process of political decentralisation as an integral pillar of the democratic transition, it is often posited that Spain is a federation, or quasi-federal country. Employing a comparative perspective this article argues that while Spain shares some federal features, manyContinue reading ?
