The French Revolution Begins The year 1789 witnessed two far-reaching events: the beginning of a new United States of America and the beginning of the French Revolution. Compared with the American Revolution, the French Revolution was more complex and more radical. The French Revolution established both a new political order and a new social order.

bring Europe back to what it had been before the French Revolution, a time before France had exploded with republican zeal and sought to spread its version of liberty from the Atlantic Ocean to the Ural Mountains. The first step in this process was the restoration of the Bourbon monarchy.
