should be significant for the host state's development. ... INTERNATIONAL INVESTMENT LAW: UNDERSTANDING CONCEPTS AND TRACKING INNOVATIONS ... i.e. the person's attachment to the state through tradition, interests, activities or family ties.³ The International Law Commission's (ILC) 2.

IN INTERNATIONAL INVESTMENT LAW Introduction The obligation to provide “fair and equitable treatment” is often stated, together with other standards, as part of the protection due to foreign direct investment by host countries. It is an “absolute”, “non-contingent” standard of treatment, i.e. a standard that states the treatment to be

8/5/2018 · International trade and investment agreements can have positive outcomes, but also have negative consequences that affect global health and influence fundamental health determinants: poverty, inequality and the environment. This article proposes principles and strategies for designing future international law to attain health and common good objectives.

2/10/2011 · The United Nations Commission on International Trade Law (UNCITRAL) plays a key role in developing that framework in pursuit of its mandate to further the progressive harmonization and modernization of the law of international trade. UNCITRAL does this by preparing and promoting the use and adoption of legislative and non-legislative ...

17/7/2019 · The Right of States to Regulate in International Investment Law addresses the balance between the host state's right to regulate and the investor's right to obtain a fair and equitable treatment (FET) standard under international investment law. Due to the recent ongoing expansion of public interest issues worldwide, the state's right to regulate has been recaptured as a prominent concept ...
