9/1/2007 · There are two sides to every story. Rosalyn Schanzer's engaging and wonderfully illustrated book brings to life both sides of the American Revolution. The narrative introduces anew the two enemies, both named George: George Washington, the man who freed the American colonies from the British, and George III, the British king who lost them.

To preserve their lands from incursions by either side, the League attempts a policy of neutrality. The Revolution, however, causes a civil war among the Iroquois, and the Oneidas are one of the few tribes to side with the Americans. George Washington to Massachusetts General Court, September 28, 1775

The Revolutionary War era was a time of immense turmoil for the American colonists, no matter where their allegiances lay. By comparing and contrasting these two artworks, we can examine both sides of the dispute over independence and how the issue directly affected the lives of those involved. Those who rebelled against the
