Clement Y. ...**

Uses Hong Kong's transfer from Britain to China to explore how media coverage is guided by ideological struggle. Focusing on the global media coverage of Hong Kong's transfer from Britain to China, **Global Media Spectacle** explores how the world media plan, operate, compete, and produce a historical record during significant global

events.

This book is drawn from an academic study of the media coverage of the handover of Hong Kong from British rule to China. It is well done and features a very thorough, step-by-step explanation of the dominant news paradigms employed by media from various nations, including the US, Australia, China, Japan and the UK.

Sarah Cook is research director for China, Hong Kong, and Taiwan at Freedom House. She directs the China Media Bulletin, a monthly digest in English and Chinese providing news and analysis on media freedom developments related to China. Cook is the author of several Asian country
