The pilot project took place in an Ontario public high school yearbook course. Participants included seven Grade 11 students, three Grade 12 students, and the yearbook teacher (the author). In this particular school, students receive both Interdisciplinary Studies and Media Arts credits during their first year in the Grade 11 Yearbook course, and teaching is governed by that aspect of the ...

Recruited by the Illuminati, Stan Deyo was taken secretly to Australia in 1971 to design "flying saucer" propulsion systems with them. Deyo reveals years later why "they" keep the alien/UFO agenda from the public. Many have investigated this huge conspiracy from the outside looking in - BUT, only one has come forward from an insider's perspective.

Vietnam's Wild Weasels. A band of daring fliers team up in a classified program to take out the radars guiding their biggest threat—Soviet SA-2 Guideline missiles. Like many American boys who had grown up during World War II, Stan Goldstein was fascinated with aviation. He began flying at age 12 and entered Air Force ROTC at New York ...
