Grade inflation (also known as grading leniency) is the awarding of higher grades than students deserve, which yields a higher average grade given to students.. The term is also used to describe the tendency to

award progressively higher academic grades for work that would have received lower grades in the past.

Paper 01 (1 hour 15 minutes) This paper will consist of 60 multiple-choice items. The paper will sample, proportionately, all sections of the syllabus. Paper 02 (2 hours) This paper will be divided into two parts. Questions in each part will test all three profile dimensions.

Education in the United States of America is provided in public, private, and home schools. State governments set overall educational standards, often mandate standardized tests for K–12 public school systems and supervise, usually through a board of regents, state colleges, and universities. The bulk of the \$1.3 trillion in funding comes from state and local governments, with federal ...
