scholar of English or literature. I cannot give you much more than personal opinions on the English language and its variations in this country or others. I am a writer. And by that definition, I am someone who has always loved language. I am fascinated by language in daily life.

Amy Tan was born in Oakland, Calif., in 1952. Her parents moved to the United States from China a few years before her arrival. Tan has observed the culture clash between the two countries of her heritage for most of her life, and her writing often reflects it. Tan's first novel, *The Joy Luck Club*, explores relationships between Chinese mothers ...

The Joy Luck Club is divided into four parts of four stories each, totaling sixteen stories in all; in the beginning of each part, a short parable introduces a common theme, connecting the four stories that follow. Each story is told by one of the seven main characters, and these stories are all woven together into a larger narrative about the complex, and often misunderstood, connection ...
