11/6/2021 · This is the third time I've purchased this model. The last two worked for about 6 or 7 years each. Oddly, the "swing" function that blows air from side-to-side stopped working within a couple of years on the last two. PROS: Icy cold air/great heating ability. Strong fan (I can feel its breeze from about 15 feet away). Comes with a remote.
