Dry Eyes Afflict Many of Us. Here's What to Do About It. That gritty, itchy feeling in your eyes can arise from many causes, including too much screen time, and eye drops may only make it worse.

4/12/2017 · (Doctors tend to use the word remission rather than the word cured. Remission means there is no evidence of cancer following treatment. If you are in remission, you may be cured. However, in some cases a cancer returns months or years later. This is why doctors are sometimes reluctant to use the word cured.) Treatment may aim to control the cancer.
