A salary is a method of paying an employee where the employee regularly receives a preset amount of money (the salary) for each pay period (which may be one week or longer, up to one month). See WAC 296-128-532. Being paid on a salary basis means that the salary is not subject to deductions because of variations in the quantity or quality

10/10/2019 · When to Include Salary Requirements in a Cover Letter . If a job application does not require you to include salary information (such as your salary history, a salary requirement, or a salary range), do not do so. If you request too high a salary, the employer may not even look at your application.

23/3/2020 · 3. Tell the employer that your desired salary is flexible. In many instances, you can minimize any misunderstandings by stressing that your desired salary is a flexible issue. You can list a number or range and qualify that salary requirements are negotiable.

20/9/2019 · Your research is likely to yield a salary range, let's say \$50,000-\$70,000. Use the high end as your salary desired, followed by “(flexible)” or “(negotiable).”. Sure—the proposition is confident, you might even say aggressive. But it's based on hard facts, too.

A salary is a method of paying an employee where the employee regularly receives a preset amount of money (the salary) for each pay period (which may be one week or longer, up to one month). See WAC 296-128-532. Being paid on a salary basis means that the salary is not subject to deductions because of variations in the quantity or quality
