5/6/2014 · You don't need to remove the grill to replace the front bumper. The grill comes off with it. However, if you want to just remove the grill (as I did to paint some of the trim pieces) there are 5 retainer nuts on the back side of the grill holding it on to the bumper cover that need to be removed first. You need to remove the top cover shown below.

Remove the rear bumper cover by pulling the cover outward from the part nearest the wheel on both sides. Once removed, take off the 2 black mounting brackets from the bumper cover. Good Luck
