Social scientists will most likely categorize writer Kiese Laymon's collection of essays as a literary intervention into masculinity studies in our current era: marked by the (seeming) paradox of black presidency and celebrity on the one hand, and the entrenchment of police power over black boys and men on the other. Scholars of history and literature might situate Laymon in political and ...

About How to Slowly Kill Yourself and Others in America 'I was stunned into stillness' Roxane Gay, author of Bad Feminist 'I've had guns pulled on me by four people under Central Mississippi skies – once by a white undercover cop, once by a young brother trying to rob me for the left-overs of a weak work-study check, once by my mother and twice by myself.
