**Images Of Organization.** Thousand Oaks, CA: Sage Publications. Walker Management Library: HD 31.M628 An Overview The underlying principle of the books is that all management theory and practice is based on images or metaphors that lead us to understand situations in powerful, yet partial ways.

While Images of Organisation is highly theoretical, Imaginization is devoted to the practical art of using metaphor for organisational analysis and creative management. Imaginization, with its cartoons and large print, has a completely different style. Throughout, the principle is: "It is

**Images Of Organization** is deep stuff, and not recommended for the casual reader. I loved the exploration into different models of thinking about organizations, but not everyone will share my passion. Morgan organized this book well, every chapter ended with a brief "strengths and weaknesses" section of a different perspective on organizations.

Chapter 2 -- **Images Of Organization** Mechanization Takes Command Organizations as Machines. Machines now influence virtually every aspect of our existence. The use of machines has radically transformed the nature of productive activity and has left its mark on the imagination, ...
