time and at a higher rate.

7/12/2012 · In France as elsewhere, population aging creates new challenges for the health care system, for both controlling costs and meeting new societal demands. Although it goes well beyond traditional health care reform, in France long-term care has emerged as one of the most crucial social policy issues.

Making Connections: Biological Research
Dr. Ignatz Nascher and the Birth of Geriatrics. In the early 1900s, a New York physician named Dr. Ignatz Nascher coined the term geriatrics, a medical specialty focusing on the elderly. He created the word by combining two Greek words: geron (old
