Benefits of Guided Reading Highfields State School is committed to improving students' reading through quality teaching as reading is fundamental to learning in all subjects. At our school we explicitly teach reading through: Modelled reading: the teacher uses text and think aloud language to model decoding and comprehension strategies.

Guided reading helps students develop greater control over the reading process through the development of reading strategies which assist decoding and construct meaning. The teacher guides or 'scaffolds' their students as they read, talk and think their way through a text (Department of Education, 1997).

effectively in our reading programs. Both of these Balanced Literacy components serve a valuable purpose in teaching students to read (and write).
