20/6/2017 · International Finance Theory and Policy is built on Steve Suranovic's belief that to understand the international economy, students need to learn how economic models are applied to real world problems. It is true what they say, that "economists do it with models." That's because economic models provide insights about the world that are simply not obtainable solely by discussion of the issues.

1/11/2016 · International edition textbooks are books that are published by the international counterparts of educational publishers. Educational publishers have a global reach and thus publish their books in the United States and all over the world. Most often they do this to cut down on their own costs of printing and shipping.
