Chapter 1 • International Human Rights Law and the Role of the Legal Professions: A General Introduction

This innovative book examines the effectiveness of international human rights law, through the case study of domestic violence. Domestic violence is an issue that affects vast numbers of women throughout all nations of the world, but as it takes place between private individuals it does not come within the ambit of the traditional interpretation of human rights law.

26/10/2012 · This section will review the international treaties and resolutions impacting domestic violence, with a focus on three primary ways that domestic violence violates human rights: as a violation of basic freedoms such as the right to life and security of person, as a violation of the right to equality, and as a violation of the prohibition against torture.

17/4/2019 · 91 It is noted that, even where international law does not impose direct obligations on businesses, States' obligations to protect against human rights violations requires that they take measure at the domestic level to ensure that individuals' human rights are not violated by businesses.

Violence against women is recognized in international law as a violation of human rights. This section will review the international treaties impacting violence against women. Since many of these treaties went into force, monitoring bodies have interpreted them to include specific obligations to protect women from domestic violence and violence against women.
