History. The first and oldest international organization—being established employing a treaty, and creating a permanent secretariat, with a global membership—was the International Telecommunication Union (founded in 1865). The first general international organization—addressing a variety of issues—was the League of Nations. The United Nations followed this model after World War II.

“Over time, whoever controls the money system, controls the nation.” - Stephen Zarlenga (1941 – 2017) The American Monetary Institute is a publicly supported charity founded in 1996. The real outcomes in society – whether there will be general economic justice or corrupt financial privileges for the few – are usually determined by the structure of a society’s monetary system.

19/3/2020 · initially estimated, due in part to the fiscal and monetary policies governments adopted in 2020. In most countries, economic growth fell sharply in the second quarter of 2020, rebounded quickly in the third quarter, and has been mostly positive since.
