International Trade Law offers a comprehensive and informed analysis of the complexities of an international sale transaction through case law, policy documents, legislation, international conventions and rules adopted by international organisations such as the ICC.

The ICC Uniform Rules for Demand Guarantees (URDG) reflect international standard practice in the use of demand guarantees and balance the legitimate interests of all parties. More than an update of the existing rules, the revised URDG 758 is a new set of rules for the twenty-first century that has been in effect since the 1st of July 2010.

The first work published by the ICC on international trade terms was issued in 1923, with the first edition known as Incoterms published in 1936. The Incoterms rules were amended in 1953, 1967, 1976, 1980, 1990, and 2000, with the eighth version— Incoterms 2010 — having been published on January 1, 2011.

international trade regime and the policy that China has taken in favor of trade sectors. In addition, China's international trade performance is analyzed extensively. This research then evaluates the effects of international trade on China's economic growth through examining improvement in productivity.
