30/5/2018 · If you're planning for your child's future, socking money away into a high-interest kids savings account is a good place to start. The only downside is that investing your money will typically yield a better return than simply saving. Certain types of investment vehicles even offer tax advantages.

25/4/2016 · For parents of teenaged children, the investment strategy should focus on capital protection. With the goal barely 1-4 years away, you cannot afford to take risks with the money accumulated for your child's education. The equity exposure at this stage should not be more than 10-15%.

23/7/2019 · If you're young and you're looking to purchase a new home to live in, maybe you should consider turning your first home into an investment property. While most people wait until after they've bought their first or second home to begin investing in real estate, you could start much sooner than you think. We'll explain why jumping into the real estate investing game might be a good idea.

23/6/2021 · Real estate can be a solid investment choice if the investor will stay there for longer than five years. SIMPLE IRAs and 401(k)s are extremely good investment choices if your employer will match ...

29/1/2021 · The simplest way to give your house to your children is to leave it to them in your will. As long as the total amount of your

We'll explain why jumping into the real estate investing game might be a good idea.

18/6/2021 · Buying an investment property outright would require a much larger amount of capital just for the down payment. We can also add that you don't need to actively manage a REIT the way you would with an investment property. REITs have the advantage of investing in commercial real estate, which often outperforms residential properties.
