Located at Brandeis University in Waltham, Massachusetts, USA. Open to the public without charge throughout the year. Research affiliation: Research Library Group.

6 Iconic Sites That Celebrate Jewish American Heritage. With 7.6 million Jews currently living in America, it is no wonder that the country must be filled with Jewish culture, heritage, and history. Jews have contributed to American society throughout the colonial period, the height of 20th century immigration, and continue to thrive today.

The creation of the United States of America represented a unique event in world history. Unlike other countries where democracy evolved over a period of hundreds of years, the United States was the first country to be created, from its inception, as a democracy. And the Bible—and Jewish values—played a major role in this process.

For 70 years, American Heritage has been the leading magazine of U.S. history, politics, and culture. Read more >> The magazine was forced to suspend print publication in 2013, but a group of volunteers saved the archives and relaunched it in digital form in 2017.
