mounted directly to the bow, they can be combined and mounted to an optional MKA -16-02 quick release plate which can easily be removed from the bow, or the davit and DH-40 can be separated with the davit mounted directly to the bow and the DH-40 mounted at a remote location. What ever mounting method you choose, there are six basic require-

If you have a Johnson or Evinrude outboard this is the repair manual. Normally you would have to pay some scum on ebay or somewhere for this, but we could care less. So here it is for free. Nothing is worse than having a boat that doesn't go in the water. Hope this helps you get it back on the water. The manual is for the following years: 1965 1978

Engineering requires that the revision letter and/or date of release of specifications and standards shall be included in the notes called out on the face of drawings. 1.3 Reference Documents • Global Engineering, Drawing Requirements Manual (latest edition) • Information Handling Services (IHS)

Manual. Dr. Dunn is currently the Jay Phillips Professor and Chairman of Surgery at the University of Minnesota.
