1/3/2008 · I've found that some vendors do not maintain good records of what engine spec numbers and such they used. I also think it's about time Kohler, Kawasaki, and every other engine manufacturer gets off their lazy cheap a** and starts stamping/engraving the model, spec, and serial into the block. That should be mandatory for all engine manufacturers.

Admittance **Kohler Engine Model Number Location** File Online Today A answer to acquire the burden off, have you found it Really What kind of answer accomplish you resolve the problem From what sources Well, there are hence many questions that we miserable all day. No thing how you will get the solution, it will object better. You can take on the citation from some books. And the ZIP is one collection that we truly recommend you to read, to get more solutions in solving this problem.
