lead seamlessly into an entirely personal account of the author's own great loss. "You put together two things that have not been put together before. And the world is changed" Julian Barnes's new book is about

Gloucester Neurology Book Club convened over Zoom for its first meeting in the COVID-19 era to discuss Levels of Life,¹ Barnes' grief memoir. Despite some attendees bemoaning the need to pour their own drinks and failing to unmute microphones, the virtual format was a successful platform for open dialogue on an important and deeply personal topic.
