LG HT355SD - DVD player repair (my first repair attempt ...

G'day all, I'm about to embark on my first attempt at a 'serious repair'. We have a DVD player (LG HT355SD) that has been gradually failing in that the sound synchronization is getting out of whack (used to happen if you Pause, then Play and I could fix it by pressing Stop and then Play again). Last night the 'fix' above no longer works and the synchronization is now always out of whack.
