Energy Balancing by Numbers. In 2008, Lloyd Mear and his wife, Phyllis, created the first edition of the energy balancing manual. It contained over 2,000 frequencies used to balance a person's energetic body. Since then, Lloyd has added nearly 4,000 new frequency combinations. Lloyd's original manual was made up of typed pages in a binder and ...

Frank Lloyd Wright Frank Lloyd Wright, 1867–1959, is recognized worldwide as one of the greatest architects of the 20th century. His work heralded a new approach to architecture using innovations in design and engineering made possible by newly developed technology and materials. No other American architect's work endures, or remains as
