2 | Resources for playing – providing loose parts to support children’s play Contents This publication is based on Loose Parts Play A toolkit, co-authored by Theresa Casey and Juliet Robertson. Originally produced by Inspiring Scotland, in collaboration with Scotland’s Play

Loose Parts: Inspiring Play in Young Children by Miriam Beloglovsky and Jenna Daly is the first in a series of books on loose parts. After a brief introduction to loose parts, the topics of senses, creativity, action, and inquiry loose parts are explored through photos and examples. Both

Keywords: loose parts, outdoor play, early childhood, outdoor classrooms According to Nicholson (1971), the theory of loose parts is an opportunity for children to express creativity through use of materials that can be manipulated, transformed, and created through self-guided play.

In early childhood education settings, loose parts mean alluring, beautiful, found objects and materials that children can move, manipulate, control, and change while they play. Children can carry, combine, redesign, line up, take apart, and put loose parts back together in almost endless ways. The materials come with no specific set of ...
