The Fast Track Pro was created with the home or portable studio user in mind. With two high-quality microphone/instrument preamps, the Fast Track Pro gives you a great sounding, easy-to-use interface for your digital audio software.

Now M-Audio is pleased to present the newly redesigned Fast Track, with the additional features and improvements requested by our customers: Phantom power for condenser microphones, enhanced gain on the guitar input for use with lower output guitar pickups, and a new ergonomic design with larger, top-mounted control knobs for convenient desktop use.
