A Guide to Construction Contracts 5 What is a contract? Construction contracts A contract is an agreement entered into between two or more people with the intention of creating legally enforceable obligations. Once properly concluded, a contract is binding on each party. This means that each party has a legal obligation to do the things which the

3. The L-Shaped Kitchen. A practical layout option for small and large kitchens, the L-shaped kitchen has cabinets along two perpendicular walls. Although the corner necessitates some clever cabinetry solutions to make it practical, the open plan design of the L-shaped kitchen offers great flexibility in the placement of appliances and work zones. While you can have the legs of the L as long ...
