same devices for plotting and executing their work, making crucial decisions about what to include and what to leave out, in order to get us from here to there, without excess baggage or a confusing surplus of information. Turchi traces the history of maps, from their initial decorative and religious purposes to ...

"Maps of the Imagination takes us on a magic carpet ride over terrain both familiar and exotic. Using the map as a metaphor, fiction writer Peter Turchi considers writing as a combination of exploration and presentation, all the while serving as an erudite and charming guide.

1/9/2014 · "Peter Turchi...has written a

Reading Maps Of The Imagination Writer As Cartographer Peter Turchi ebooks

book that cries to be read more than once.

Written by someone who obviously has had experience in guiding writers along a known path in search of the unknown, *Maps of the Imagination* employs the metaphor of map-making to elucidate the creative process...while allowing for diversion, detours, and delightful excursions.

This book tells us how maps help us to understand where we are in the world in the same way that literature, whether realistic or experimental, attempts to explain our realities. "*Maps of the Imagination*" explores how writers and cartographers use many of the same devices for plotting and executing their work, making crucial
