8/1/2017 · *Moving from Traditional to Digital*. Philip Kotler, one of the world's top marketing experts, wrote *Marketing 4.0* to guide the next generation of professionals on the road to change. Marketing is no longer the same: the internet and the rise of the digital world have changed the relationship of companies with their consumers.

1/1/2021 · *Marketing 4.0* calls for a shift from simply using traditional means to more digital approaches to reach customers and develop customer relationships (Kotler et al., 2016). It combines online and offline interaction between companies and customers in the digital economy (Kotler et al., 2016).
