Medical Billing & Coding For Dummies, 2nd Model presents aspiring professionals with detailed information and suggestion on what to anticipate in a billing and coding career, strategies to find a training program, certification decisions, and strategies to stay aggressive inside the space.

recession is a smart idea. A medical transcriptionist would be wise to cross train into medical coding or billing. A medical coder or biller would be smart to obtain training in medical transcription. The more varied skill sets one has to fall back on, the less chance of floundering during an unexpected job loss. Additionally, enhancing your skills
