The vehicles with the most documents are the 200, Other Model and 250. These cars have the bulk of our PDF's for this ...

When the Mercedes Benz A-Class was first introduced in the late 1990s it was classed as a subcompact car. In 2013 with the launch of its third generation of design it was reclassified to be an executive subcompact car.. The changes made to the external appearance and the features inside the car took it from the "affordable" segment of the market and made it more "premium".
