Modern Language Association is one of the most popular formats for college assignments or those students who plan to prepare their research paper manuscripts for publishing. Unlike Chicago or Harvard formats, it does not use footnotes and follows a classic “author-date” pattern, which only includes the last name of the author when citing anything in-text.

1/10/2015 · The MLA format was developed by the Modern Language Association as a consistent way of documenting sources used in academic writing. It is a concise style predominantly used in the liberal arts and humanities, first and foremost in research focused on languages, literature, and culture.

MLA Handbook (8th ed., 2016), formerly MLA Handbook for Writers of Research Papers (1977–2009), establishes a system for documenting sources in scholarly writing. It is published by the Modern Language Association, which is based in the United States. According to the organization, their MLA style "has been widely adopted for classroom instruction and used worldwide by scholars, journal ...
