Many Muslim societies, regardless of location, are displaying a 'youth bulge', where more than half their populations are under the age of 25. An increasingly globalized western culture is rapidly eroding 'traditional' ideas about society, from the family to the state. At the same time, there is a view that rampant materialism is creating a culture of spiritual emptiness in which ...

Muslim Youths and Islam In the realm of Islamic education, there are some worrying signs that would be of concern to the Muslim community. Out of more than 136,000 Muslim youths between the ages of 10 and 24, less than 25% are attending formal Islamic educational
