A large number of English football clubs have ongoing schemes to redevelop existing grounds, or to move to newly constructed stadiums. A trend towards all-seater stadiums was initially prescribed by the Taylor Report, and was originally a condition only of Premier League admission. It has now become a requirement that within three years of a club's first promotion to the Championship all ...

Expatica is the international community's online home away from home. A must-read for English-speaking expatriates and internationals across Europe, Expatica provides a tailored local news service and essential information on living, working, and moving to your country of choice.
