Oracle Academy database curriculum is created by professional educators and enables students to learn and practice in Oracle Autonomous Database through Oracle Application Express (APEX) and the Oracle Academy Cloud Program.

6/1/2009 · since APEX is nothing more than a simple mod_plsql application - the answer is yes. See the link above in the original answer - it has all of the setup for both ways to do the pdf printing by APEX and those details answer the first bit (no, it does not run in the database, it doesn't need a full up iAS implementation - does need oc4j)

17/6/2016 · 2. Use the download feature of the Interactive Report itself (Actions > Download > PDF) This feature is build-in APEX and relies on a print server supporting XSL-FO; when using ORDS it will automatically work. If you're using Apache, you will need to configure a print server like BI Publisher or Apache-FOP. When downloading to PDF, the result ...
