11/6/2017 · I currently have the study guide for the Organic Chemistry ACS Exam. The final is in 3-4 weeks but I was wondering if there are any insights anyone can give in preparing for the exam? I've heard there is some material from Orgo 1 within it so I was wondering how people studied for that as just thinking about going through all of the chapters that covered orgo 1 in the textbook just sounds so ...
