concise clinical reference designed for use by nursing students and pro-fessionals. Perfect for use across multiple health care settings,

8/6/2011 · I made my own study guide with about 21 possible scenarios(med surg emergencies) that I might see, based on what I found here and when I googled the PBDS. I highly recommend doing this. I did them in the same format as how you type it on the PBDS, so when I got that scenario I had already practiced typing exactly the intervention and rationales.
