Details regarding the federal definition of finance charge are found in the Truth-in-Lending Act and Regulation Z, promulgated by the Federal Reserve Board. In personal finance, a finance charge may be considered simply the dollar amount paid to borrow money, while interest is a percentage amount paid such as annual percentage rate (APR). [2]

My main goal has always been to work in debt markets/structured finance so I don't think my first job is "too unrelated". That being said I would like to work in finance (preferably the buy side or banking). My initial plan was to involve myself with tech teams within the company that deal with structured finance and then slowly make the transition into a more finance role than a ...
