3/9/2020 · JavaScript is gaining much importance as a programming language. It is increasingly the go-to language for building web properties thanks to its proven track record and benefits. In the JavaScript cheat sheet above, we have compiled many of the most basic and important operators, functions, principles, and methods.

After Effects Scripting Guide, Release 0.0.1 1.2The ExtendScript language After Effects scripts use the Adobe ExtendScript language, which is an extended form of JavaScript used by several Adobe applications, including Photoshop, Illustrator, and InDesign. ExtendScript implements the JavaScript language according to the ECMA-262 specification.

22/7/2009 · The CSS Cheat Sheet is a two-page PDF and is the most detailed CSS reference guide available. It contains a lot of information and is great as a printed reference. Sections you may find useful are the ones on the CSS box model, selectors, pseudo-elements and pseudo-classes, colors, text properties and layout properties.
